From The Chairman's desk

It gives me immense pleasure to be part of a premier educational institute that provides quality international education to the students of Hyderabad. Kennedy High the global school has been a part of Cambridge Assessment International Education since 2010. Ever since its inception, the school has been striving to provide the best possible educational experience to our students. The flexibility of the Cambridge pathway makes it feasible for the faculty and students to explore avenues beyond the scope of the curriculum.

As years go by, more and more parents prefer International Boards like Cambridge. At Kennedy Global, we have trained teachers for all Cambridge Programmes including Cambridge Primary, Cambridge Secondary, Cambridge IGCSE and Cambridge A levels. Looking at the way our students perform, I see a bright future for the Cambridge wing. I am happy to note that our first batch of students who are still awaiting their board results have received offers from some of the best universities in the world. Chaithanya and Karthik have been offered seats at both Imperial college London and Manchester university; Yashwant, Sathvik and Avinash have been offered seats at IOWA state university... to name a few.

I congratulate our parents for their decision to choose Cambridge Assessment and promise to deliver the curriculum to the best of our abilities.
