

KENNEDY HIGH the global school has successfully accomplished 19 years of excellence in the field of education by focusing on child-centric education.

During this journey, we received '**Best School in India**' award in the **Rio United Nations Contest** and National School Sanitation award for attaining 94% in Green category by CBSE. The **Swami Vivekananda Award** is a proof of our philosophy of value-based education.

The safety of children is our top priority. CCTV cameras are available throughout the school premises including playgrounds, secondary and senior secondary classrooms of CBSE and Cambridge Wings as well as in all school buses which can be viewed live from the school control room along with GPRS facility.

Our classrooms are digitally equipped with SMART boards that enhance students' learning experience.

Our school follows two curricula, CBSE and Cambridge Assessment International Education, which are supported by a team of around 200 committed, qualified and well-trained teachers and dedicated non-teaching staff. Above all, parents are the strongest pillars of this institution.

Health and Physical Education is given a prominent place in the school curriculum along with academics. We have 17 full-time well-trained physical education teachers who coach the students in volleyball, basketball, football, skating, athletics, swimming, Taekwondo, yoga, cricket, tennis, chess and table tennis.

- We have successfully completed **17 batches of Class X and 12 batches of Class XII in CBSE.**

Once again, we have achieved **100% results** in CBSE Class X and XII Board Exams.
